

Eastern Carolina Plastic Modelers
An IPMS Chartered Club

14 January 2010

Dear Sir or Madam:

This summer, the Eastern Carolina Plastic Modelers, an IPMS Chartered Club, will host our tenth model contest, DownEast Con 2010. The contest will take place at Garber United Methodist Church, New Bern, NC on July 10, 2010.

We are members in Region 12, of the International Plastic Modelers Society. The region consists of chapters in North Carolina and South Carolina. Many of us are your customers.

In order to have a successful show, we need your help.

We are requesting donations for our raffle. Items ranging from plastic models, tools, books, accessories, or gift certificates would be greatly appreciated. Of course, we would like you to be as generous as possible, but even the smallest item will make a raffle winner really happy! You may be assured that the members of our club will be donating kits out of their collections for the raffle as well. Whatever you can do to show support our chapter and our hobby would be greatly appreciated.

All raffle donations will have a card attached, informing the winners of who donated the prize. Also, a poster will be displayed with the names of all those who donated.

You may also send us brochures or flyers of your products for distribution at the show. This is a great opportunity to display your products and services to modelers from a large geographical area.

We are aware that this request is just one of many that you may receive from contest and convention committees ranging from the IPMS Nationals to individual contests such as ours. We all do so because the raffle, which is such an important part of any show, could not happen without your help.

Please send raffle donations to the following address; IPMS/Eastern Carolina Plastic Modelers Club, C/O Frank Eason, 5105 Meadowbrook Dr., New Bern, NC 28562. Please make checks payable to "Eastern Carolina Plastic Modelers". Should you have any questions please feel free to contact any of the folks listed on the enclosed Contest Flyer. Thank you for your consideration and we hope for your participation in our tenth contest, *DownEast Con 2010*.

Sincerely,

Frank Eason, IPMS # 40472
