

On the heels of co-hosting the IPMS 2016 National Convention in Columbia, the Piedmont Scale Modelers of Greenville, SC are excited to present:

The “Contest of the Carolinas” IPMS/USA Region 12 Convention

- When:** Saturday September 14, 2019 9am-4pm
- Where:** Simpsonville Activity & Senior Center 310 W. Curtis St. Simpsonville, SC 26981
- Who:** You!
- What:** Styrene! Contest tables full of painted plastic, vendor tables full of boxed plastic, and raffle tables full of raffle-able plastic!

Simpsonville is 13 miles south of vibrant, historical Greenville, SC. The Activity Center is three minutes from **exit 29** on **I-385**. This modern, venue boasts 10,000 square feet of well-lit floor space so we have ample room for contest and vendor tables. There are plenty of hotels nearby and some very good restaurants just blocks away in Simpsonville’s central district. There will also be food available on site from the in-house kitchen. As of press time we are working on acquiring a food truck to serve up some Carolina BBQ!

Show Theme: “Legends of the Carolinas” Military, aviation, ships, and, of course, stock cars! USS North Carolina, the Wright flyer, CSS Hunley, and Richard Petty’s #43 Dodge to name a few.

Vendors and model clubs from pert-near eight states have been invited. This is the Central Atlantic Region’s annual event and we are expecting a good crowd. There are sixteen local chapters in Region 12. It would be way cool if all sixteen were represented at the 2019 Regionals. Put on your club logo t-shirt, fill your car with club members, throw in some grape-flavored cigars and bean dip and head for the foothills of the Blue Ridge Mountains!

Check out our info page on the IPMS events calendar.

Our show website, <https://psmregion122019.wixsite.com/mysite> is being updated weekly, but we wanted to get this invite in your hands as quickly as possible so you can postpone the flooded basement you have scheduled on that date. Y’all come!
